FOREWORD

It is with pride, yet with a touch of nostalgia, that the Annual Staff presents this volume—the 1961 edition of *Kay Aitch Ess.* The ring symbolizes the circle of enduring friendships which have been formed during four memorable years.

Though many of us have reached the end of our years at Grainger High School, the members of the staff of *Kay Aitch Ess* know that we will be sustained all our lives by cherished friends we have made here. We feel that this is true, also, for the entire student body. It is in this spirit of love and brotherhood that we give to you your volume.

Jean P. Booth, Superintendent

The students of Grainger High School owe a tremendous debt to Superintendent Jean P. Booth. His devotion to duty, his conscientious application of high principles to the operation of the city schools and to his own life are an example to all who come in contact with him.

For whatever accomplishments we have attained, we, the graduating class of 1961, owe in large measure a debt of gratitude to Superintendent Jean P. Booth.

Frank L. Mock, Principal

We remember one who will always remain dear to us—Mr. Frank Mock, our principal. His wise guidance has served us well during our high school days. Always deeply interested in our problems as well as our successes, he has earned our affection and appreciation. We shall always remember and be grateful for his wisdom in guiding the policies of the school and his deep dedication to the needs of the young people of Grainger High School.

SPRING — 1960

The end of every year is climaxed with a series of wonderful, never-to-be-repeated events. Simultaneously with the blooming of the jonquils comes the baseball season, the feverish activities of Juniors preparing for that "best-yet" banquet, the election of president of Student Council, and the selection of Chief Cheerleader. Awards day is set, promising to many all sorts of exciting surprises.

Finally the *big, big* day arrives. Graduation takes place with all its pomp and circumstance. It brings great joy to departing Seniors.

There is sadness, too, at leaving Grainger High School where there have been so many exciting, rewarding moments. Another great year has ended.

SPRING 1960

JUNIOR-SENIOR — 1960.

All the glitter and sparkle of the "night of nights" is now history, but the happy memories of the 1960 Junior-Senior Prom will never fade from the hearts and minds of those in attendance. "Coffee and Confusion" was the theme of the dance and the Junior Class spent many long hours transforming Fairfield Gymnasium into a veritable paradise, Greenwich Village style. The banquet which preceded the dance was also a pinnacle of success.

The Junior Class created an unusual and beautiful effect. That the banquet and dance are unforgettable was due in great part to the efforts of Bet Lucas, over-all chairman, and her associate chairmen: Tommy Archie, Judy Axelburg, Tom Jimison, and Julia Ann Doolittle.

Mr. James Hall

After ten years of dedicated teaching at Grainger High, Mr. James Hall, our choral director, resigned from the teaching staff. Hall, as we so fondly called him, directed many successful concerts that enriched the lives of Kinstonians. As a remembrance from us to him, G.H.S. students presented a silver service to him. With saddened hearts, we worked to make his last spring concert with us the best one in the history of Grainger High. He is no longer our director, but bright memories remain. During the years he was with us, he prepared us for bigger and better achievements. Because we know he would want us to, we have set new goals and are striving to accomplish them with our new director, Mr. Gerald Powell.

A NEW WORLD

In the spring of '60, the Grainger High Singers, Varsity Choir, Workshop, and Glee Club presented "A New World." This was the tenth annual spring concert by the G.H.S. Singers. Special lighting and sound effects added a new twist to the usual choral selections. A narration presented by Jerry Attkisson tied the songs into a flowing story. The singers gave all they had in the preparation of this concert, another of the great and memorable concerts in the history of Grainger High.

The award winners pictured above are Betty Jean Jenkins, Allyson Bullock, Catherine Parrott, Jane Rasberry, Diane Hardy, and Diane Fuller.

Three days were set aside for the presentation of awards during the spring. Community awards were made on one day. Awards, such as the Rotary Cup, the D.A.R. awards, the Civitan Citizenship Award, and the Boys' State award were made by community leaders. On the following day school awards were presented. Mr. Mock announced the names of the people who would serve as marshals for the coming year. Jerry Howard administered the oath of office to the new student council president, Jerry Attkisson. On another special day athletic awards were made. The highlight of the athletic awards was the presentation of the Shackleford trophy for the senior athlete who excelled in dedication, co-operation, and determination. The winner was Donnie Kintz. Another award was won by a Grainger High student during the spring. Bradford Rice won a district award in mechanical drawing.

The award winners pictured above are Randall Cribb, Jimmy Sutton, Robert Foster, Paul Vick. Jack Whitley, Jerry Attkisson, Jerry Howard, Tommy Lester, Adrian King, and Donald Brubaker.

AWARDS DAYS — 1960.

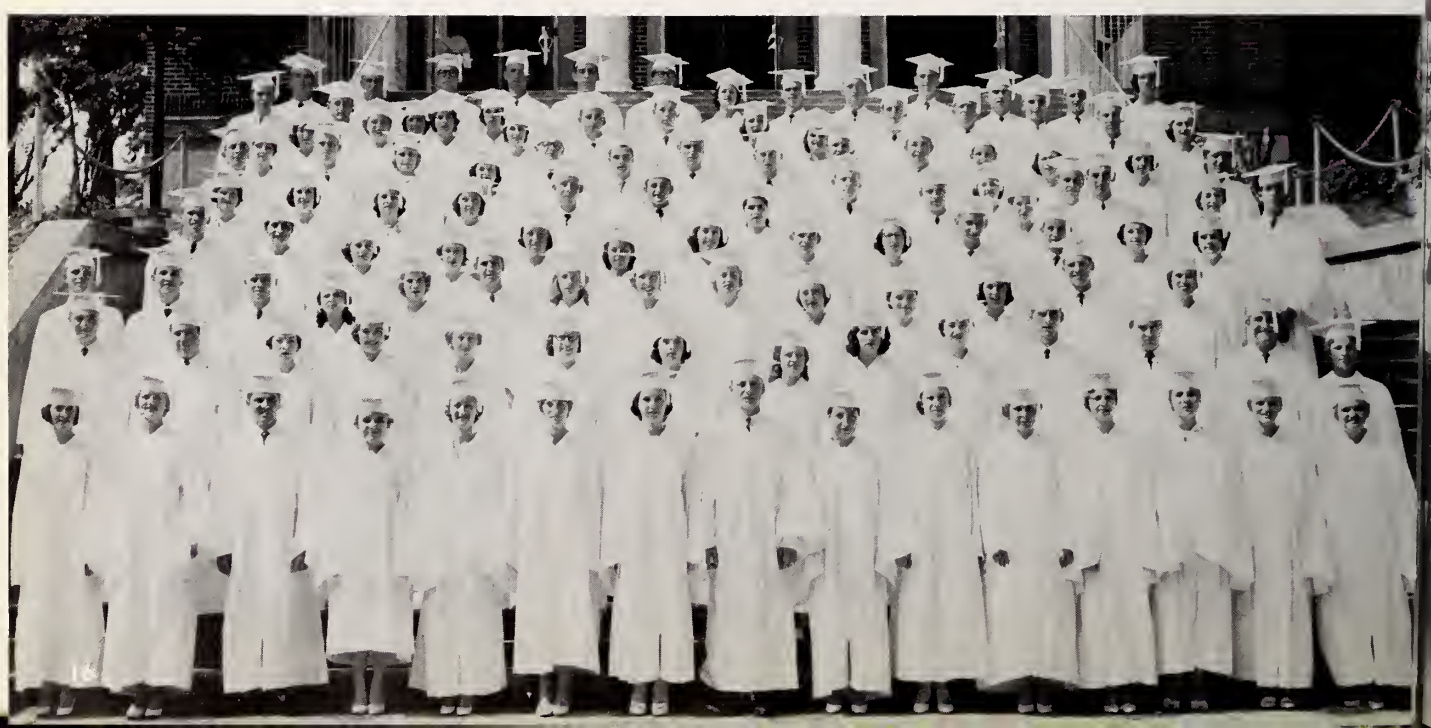

At the right Bradford Rice and Mr. Brubaker admire Bradford's award in mechanical drawing.

COMMENCEMENT

Another graduating class went into the world on June 1, 1960. The class was the largest thus far for Grainger High School. We are sure they will bring as much recognition to our school as the past classes have done.

As part of the commencement exercises, three special awards were made. The Valedictory Cup for the senior with the highest scholastic average for four years of high school work was awarded to Mary Louise Tyndall. Nell Harris was recognized as Salutatorian, the person with the second highest average. Catherine Parrott received the Curtis Cup. This cup, named for a former Superintendent of Schools, is awarded by secret ballot of the faculty to the Senior excelling in courage, culture, and character.

NEW YORK TOUR

The last of the 1960 Spring activities which we remember is the New York tour, climaxing an exciting, event-filled year for the Grainger High Seniors. We can never forget Norfolk, Bainbridge, and finally New York. We remember the ups and downs of the tour, the good moments, the sad ones. Most of all we remember our last program in which the Grainger High Singers worked together to bring the year to a glorious finale.

DEDICATION

"To be what we are, and to become what we are capable of becoming, is the only end of life."
Spinoza

The two great individuals to whom we dedicate the 1960-61 volume of *Kay Aitch Ess* have inspired us to be ourselves, yet have led us into realizing potentialities which we did not know we possessed. This is truly the way of great teachers.

Both teachers embody the inspiration of dedicated service to youth with the perfect tranquillity of living a well-ordered personal life. Their policy seems to be single—that of doing what seems best each day, as each day comes.

The genius of their teaching is evident to all who know them. Their smiles, kindnesses, and small obligations, given to us habitually, have quite won our hearts.

The Commercial Department owes a real debt to the work and organization of one of these teachers. She is head of this department and an inspiration to all who work with her, both students and faculty.

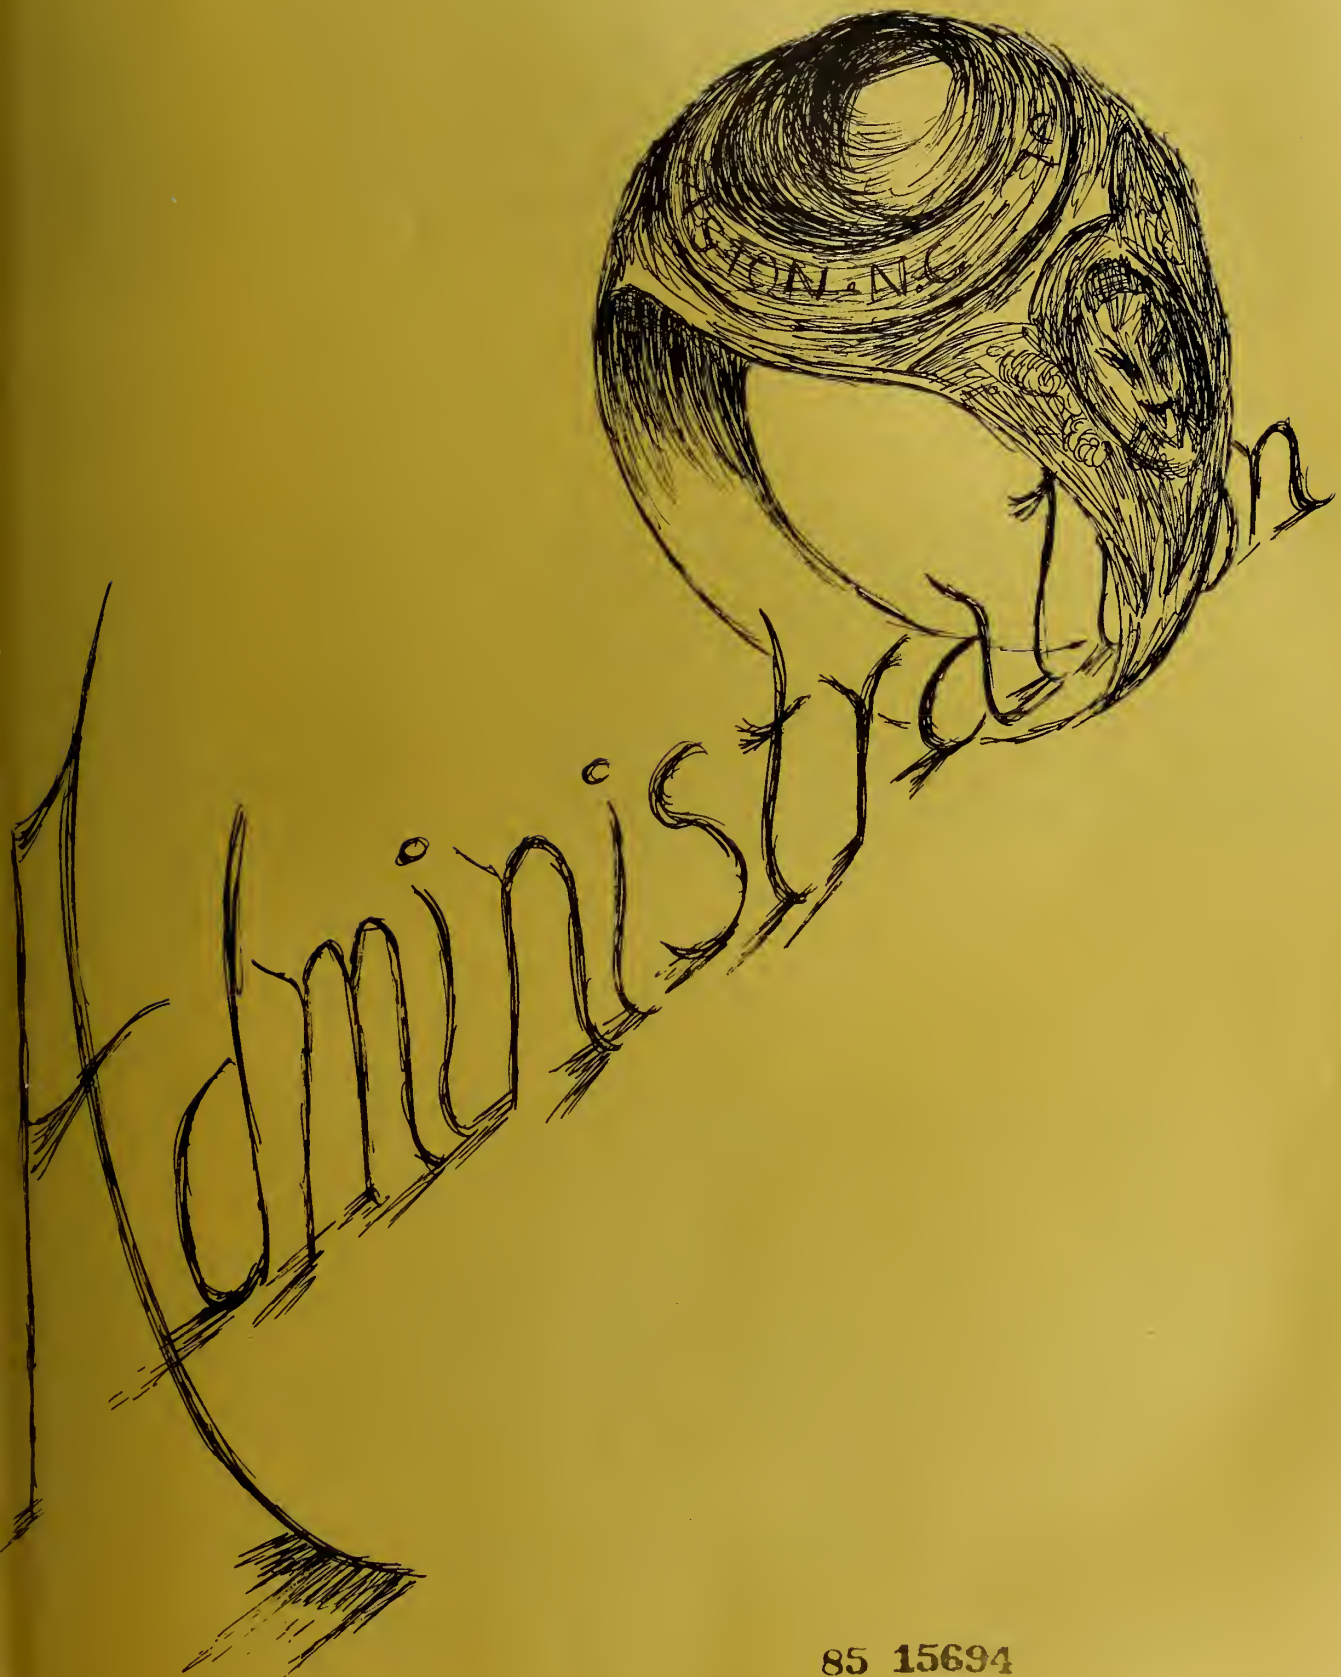

The other teacher has awakened scientific interest in each of the students whom she instructs. Her influence has been felt throughout the community, and we owe her a debt which cannot be settled easily.

It is with pride, love, and respect that we dedicate the thirty-sixth volume of *Kay Aitch Ess* to Mrs. Helen Sanderson and Miss Estelle McClees.

TON NC

ANNE POOLE President

After twelve long years of striving to reach that all-important goal of graduation from high school, we found it difficult to realize that the time was upon us.

This last year was a memorable one to all of us. It was a proud moment when we became the ones to "lead out" at chapel time.

So many moments of the senior year were poignant with memories. We recalled our first years—the ball games, the dances. Now we witnessed the last of the carefree years.

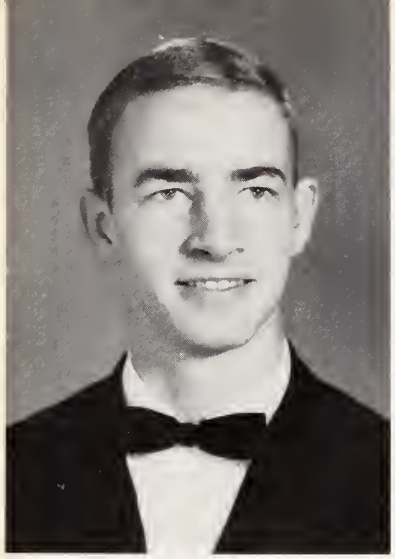

But we shall never forget our Alma Mater. Our teachers and administrators are permanently in our hearts along with other friends we have made through the years.

Indeed we hope that some trace of our stay here will remain, for the mark the school has made on us will always remain, symbolizing the best in life.

CLASS OF '62

In the fall of '60 we entered the doors of G.H.S. as upperclassmen. New frontiers in the field of knowledge, more exciting and challenging than ever before, were opened to us. Starry-eyed we received our class rings, positive proof to our unbelieving minds that we were the '60-'61 Junior Class of Grainger High School! We were faced with the problem of how to raise the money for the biggest and best Jr.-Sr. Prom ever to be given at G.H.S. Among our numerous money-making schemes were the informal "after-the-game" dances and the semi-formal "Winter-Wonderland" dance. Our car wash proved to be lots of fun and quite profitable also.

Suddenly, our Junior year is almost over! Now, as we watch the Seniors march down the aisle, we can hardly believe that in a short time we will have achieved our long-sought goal. We shall become the Seniors of G.H.S.

CLASS OF '63

The year 1960-61 was the year of earthworms and frogs to be dissected, of driver training and drivers' licenses, of algebra and world history. We'll never forget the "Sadie Hawkins" blast. Indeed, it *was* a year to be remembered—so many events to treasure in our memory forever.

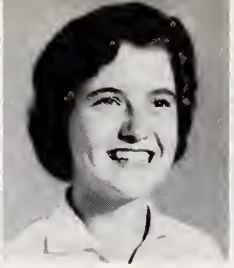

Georgene Ahlsen

CLASS OF '64

At last, after eight long years we finally reached high school. Our dream had finally come true. Now we made the decision whether to take the College Preparatory, the General, or the Commercial Course. For the first time we faced the perils of Latin and algebra. We chose John Civils to lead our class through the first year in high school. Yes, this first year was really full of memorable events. We felt just a little closer to that great night when we, too, would receive the parchment of graduation.

Oh! My feet do hurt. New York, we've had it!

John F. Kennedy is not the only president to be inaugurated. We have Jerry Attkisson as our new President of Student Body.

Ain't it pretty? Junior-Senior is going to be a wow!

It's fun to have brain—especially when one gets the new marshal regalia.

Activities

The clubs of Grainger High School serve a real need in the school. In these organizations students learn the valuable lessons of leadership. They learn to work in co-operation with others toward a given end.

There are many clubs for students of varied interests, each enriching the curriculum of the individual who takes part. The activities of the various clubs tend to broaden the horizon for its members. We are indeed proud to present our clubs, offering at the same time a tribute to the services they afford the school.

The other officers are elected by the council. The Student Council also serves the school by publishing a student handbook, sponsoring the concession stands for football games, providing much needed equipment for the school, sponsoring the annual Star Room Dance, and providing chapel programs. The council works at all times to promote good citizenship and sportsmanship among students.

MUSIC

Grainger High School is proud of its music department. The work is outstanding, recognized everywhere for its quality.

The Band is composed of students from grades nine through twelve. The concerts feature both classical and popular music. This group is an inspiration to music lovers all over North Carolina.

The choral section is composed of the Girls' Glee Club, the Varsity Choir, Grainger High Singers, Grainger High Workshop, the Dancers, and the Mixed Chorus. The members of these groups offer much to the creative life of Grainger High School.

Both the choral and band groups are a credit to the students they represent. We salute them!

GRAINGER HIGH BAND

MR. HARRY SHIPMAN, Band Director

The Grainger High instrumental program is composed of a marching band and a concert band. During the fall the band performed at almost all the Red Devil football games, played in several parades including the Governor's Inaugural Parade, and entertained at pep rallies. The concert band gives two concerts annually, performs in district and state contests, and plays for local civic groups. Its repertoire includes both classical and popular music.

CHORAL DEPARTMENT

Powell plus Singers equals success! Under the direction of Gerald Powell, the Choral Department has had wonderful success.

The Square Dance team led off with a state championship trophy. The Dancers have contributed both grace and beauty to the work of the department. As this year ends, five of the original dancers graduate. Hats off to Susan Webb, Dina Allen, Annette McAdams, Scarlett Mills, and Julia Ann Doolittle!

The newly organized Mixed Chorus has made a phenomenal addition to the work of the department.

Furthermore the workshop, Varsity Choir, and the Glee Club have done work to be remembered.

One can never forget the Christmas concert, "An Old-Fashioned Christmas" and the spring concert, "Song of the South." In "Oklahoma" the music department reached the heights. The performance was superb.

Another highlight for the department will be the New York tour. In New York they will perform for the Manhattan Kiwanis Club. Not only will the group perform in New York but it will entertain servicemen at Bainbridge, Maryland. Such fun!

A great year has ended—a year of good music, more good music, and still more good music.

SPORTS

Athletics separates "the men from the boys." It is in this department that an attempt is made to bring out the best in the participants, both their physical and mental best.

Though the teams do not always win scorewise, they are champions every time they play. For they know that the true champion is one who wins or loses equally well.

So it is with pride that we present all our stars in the Athletic Department.

"K" CLUB

The Varsity "K" Club is an honorary organization made up of boys who have participated in 20 quarters of football, 40 quarters of basketball, or 8 games in baseball with at least 2 innings in each game. The coveted "K" coats, awarded to the members, are bought from money received from the concession stands during basketball games.

This club represents our highest type athlete, honoring those who have "what it takes" in perseverance, sportsmanship, and athletic ability.

The hot-shooting, experienced team has shown outstanding play both offensively and defensively. Certainly this team will go down as one of Grainger High's greatest teams.

The tennis team of GHS should be commended for the fine effort and determination that they have shown the past year. The boys worked hard to provide Grainger High School with a great tennis team.

VARSITY CHEERLEADERS

Each year a new chief and squad of Varsity Cheerleaders are chosen. The main factors determining who will be a Varsity Cheerleader are spirit, cheerful expression, pep, and ability to learn and make new yells. Each year these girls are chosen by the "Chief" and the advisor.

As a Varsity Cheerleader one acquires good sportsmanship, self confidence, and self control. The cheerleader knows there is always room for improvement.

Being a Varsity Cheerleader means that the participant wishes to represent her school, which she does proudly as she wears the Grainger High School uniform.

VARSITY FOOTBALL

Although the 1960-1961 football team suffered a disappointing season, the team gained experience and know-how from its effort. Certainly anyone who can stay with a sport when the chips are down, and fight as hard as these boys did, is a real champion.

The Junior Varsity squad is composed of girls from the ninth and tenth grades who have shown outstanding ability in performing yells. Besides this they possess an abundance of pep, enthusiasm, and poise—they are constantly on their toes cheering the "Imps" to victory.

VARSITY BASEBALL

The baseball team certainly had a successful season. Winning 10 of 14 games, the Devils were very effective with their team play, individual performances, and sportsmanship. Had it not been for each individual's possessing these qualities, the team could not have progressed as steadily as it did.

Features

Perhaps the highest honor which a student can receive is that of being elected a superlative by those who know him best. To be voted "Best All Around" or "Most Likely to Succeed" is a great compliment to the senior who receives this honor.

The feature section of the annual also honors those students who have been chosen by their teachers or the students of Grainger High School to represent their school at various school functions and civic organizations.
